WHAT TO ASK ON A DEMO

TICK WHAT THEY SAY · NOTE · N/A

01 **Was it built for dental, or general healthcare?** Doesn't apply

Some scribes are broad-healthcare tools; dental-native ones know CDT and perio.

Dental-native NOTES

General healthcare

02 **Does it write into my PMS, or stay standalone?** Doesn't apply

Standalone means copy-paste; full integration writes the note for you.

Writes into PMS NOTES

Partial sync

Standalone

03 **Which PMS systems does it write into?** Doesn't apply

Most name Dentrix, Eaglesoft, or Open Dental — confirm yours is one.

Dentrix NOTES

Eaglesoft

Open Dental

Any PMS

04 **Does it chart perio, or only narrative notes?** Doesn't apply

Voice perio charting is a separate capability from ambient SOAP notes.

Perio charting NOTES

Notes only

Both

05 **Is it ambient listening or voice dictation?**

Doesn't apply

Ambient captures the whole visit; dictation needs you to speak the note.

- Ambient
- Dictation
- Both

NOTES

06 **Are the note templates editable per clinician?**

Doesn't apply

Some let each provider tune templates; others ship one fixed format.

- Per-clinician
- Practice-wide
- Fixed

NOTES

07 **Does it code notes to CDT automatically?**

Doesn't apply

Auto-coding saves a step; not every scribe does dental codes.

- Auto CDT
- Manual coding

NOTES

08 **Does it handle a second language at the chair?**

Doesn't apply

Only some scribes transcribe non-English conversations accurately.

- Bilingual
- English only
