WHAT TO ASK ON A DEMO

TICK WHAT THEY SAY · NOTE · N/A

01 **Is it async photo review or live video?** Doesn't apply

Most do asynchronous photo triage; live synchronous video is rarer.

<input type="checkbox"/> Async photo	NOTES
<input type="checkbox"/> Live video	<input type="text"/>
<input type="checkbox"/> Both	<input type="text"/>

02 **What's the main use — triage, ortho, or cosmetic?** Doesn't apply

New-patient triage, aligner monitoring, and smile consults are built apart.

<input type="checkbox"/> Triage	NOTES
<input type="checkbox"/> Ortho monitoring	<input type="text"/>
<input type="checkbox"/> Cosmetic consult	<input type="text"/>

03 **Is the scan device FDA-cleared or registered?** Doesn't apply

One device is FDA-cleared, another only registered — most use the phone.

<input type="checkbox"/> FDA-cleared	NOTES
<input type="checkbox"/> FDA-registered	<input type="text"/>
<input type="checkbox"/> Phone-based	<input type="text"/>

04 **Does it ship hardware, or use the patient's phone?** Doesn't apply

A scan box or scope changes image quality, cost, and patient effort.

<input type="checkbox"/> Branded hardware	NOTES
<input type="checkbox"/> Phone only	<input type="text"/>
	<input type="text"/>

05 **Who reviews the case — your dentist or their network?**

Doesn't apply

Some route to a provider network across states; others keep it in-house.

- Your dentist
- Provider network

NOTES

06 **Does it connect to your PMS, or stand alone?**

Doesn't apply

Records and scheduling only sync if it reads your system.

- Partial sync
- Standalone

NOTES

07 **Does it pre-qualify new patients from your website?**

Doesn't apply

An embeddable widget can turn site visitors into booked consults.

- Website widget
- Existing patients only

NOTES
