WHAT TO ASK ON A DEMO

TICK WHAT THEY SAY · NOTE · N/A

## 01 Which case type does it plan for?

Doesn't apply

Ortho, implant, and smile-design tools rarely overlap — pick your lane.

- Ortho
- Implant
- Smile design

NOTES

  

## 02 Is the planning software FDA-cleared?

Doesn't apply

Surgical-guide and aligner planners are cleared; some preview apps aren't.

- FDA-cleared
- Not cleared

NOTES

  

## 03 Does it plan from CBCT, or just photos?

Doesn't apply

Implant work needs DICOM CBCT; photo tools only mock up the smile.

- CBCT / DICOM
- Photos only
- Both

NOTES

  

## 04 Do I plan it, or does a service do it?

Doesn't apply

Some are software you run; others are an outsourced expert planning center.

- I plan it
- Service plans it

NOTES

05 **Can it export a surgical guide?**

Doesn't apply

Guided-surgery export is what turns a plan into a printable guide.

- Guide export
- Plan only

NOTES

  

06 **Does it show the patient a live preview?**

Doesn't apply

AR and mockup previews drive the case-presentation conversation.

- AR preview
- 2D mockup
- No preview

NOTES

  

07 **How is it priced — subscription or per case?**

Doesn't apply

Spans flat subscription, per-case usage, and per-design fees — ask which.

- Subscription
- Per case
- Per design
